CAMERON COUNTY EMPLOYEES TEST POSITIVE FOR COVID-19

Today, October 23, 2020, the Office of Cameron County Judge Eddie Treviño, Jr., has been notified that two (2) employees from Public Works Precinct 3 have tested positive for COVID-19. Due to privacy laws, Cameron County will not release specific employee information.

The Public Health Department is working closely with elected officials and department heads to continue taking the appropriate steps to keep their employees and the public safe. Constituents are asked to continue to conduct business online by going through the County's website at <https://www.cameroncounty.us/>.

"We must not let our guard down as positive COVID-19 cases remain in our community. The urge to decrease the rate of transmission in our County continues, and facial coverings and good hygiene etiquette remains as the only safeguards for the protection of life," stated Cameron County Judge Eddie Treviño, Jr. "All County employees must continue to utilize health and sanitation protocols when out in public, and remain home and self-isolate should you be positive with COVID-19. Please prevent the spread of COVID-19 both at work and at home," stated County Judge Treviño.

The Cameron County Judge's Office will continue to provide updates as needed.
