Cameron County Confirms Additional COVID-19 Cases

Cameron County has received confirmation of an additional twenty-one (21) reports of COVID-19. This includes the following:

Residence	Gender	Age(s)	Transmission
Brownsville	Female	28, 30	Link to Previous Case
Brownsville	Male	9, 26	Link to Previous Case
Harlingen	Female	67, 69, 71, 79, 86, 87, 96	Link to Previous Case
Harlingen	Male	66, 68, 69, 82, 82, 83, 83, 85, 88, 95	Link to Previous Case

This raises the total number of cases to 216 in Cameron County. Of the 216 cases, 70 individuals have recovered.

Cameron County Public Health continues to investigate the COVID-19 outbreak at the two nursing home facilities. To date, the Cameron County cases arising from the Veranda Nursing Home has included 17 employees, five (5) individuals related to the employees and 47 residents who have tested positive, including two (2) who have passed away. There have also been 37 employees and 24 residents who have tested negative and 37 individuals pending results. The Windsor Atrium currently has 11 employees and 15 residents who have tested positive, including one who has passed away. There has also been one (1) employee and two (2) residents who have tested negative. As the facility has been increasing testing, there are now currently seventeen (17) individuals pending results. Individuals at the two facilities who have tested positive continue to be in isolation and employees who have pending results are not working at the facility.

As part of the COVID-19 action response plan, Cameron County Public Health is conducting epidemiological investigations and contact tracing as needed. Cameron County Public Health continues to monitor the situation and will provide updates as they are received.
