This raises the total number of cases to 569 in Cameron County. There have also been an additional 33 individuals who have recovered, raising the total number of recovered individuals to 330.

Cameron County Public Health continues to work with nursing homes within Cameron County which are experiencing COVID-19 cases in their facilities. To date, the Cameron County cases arising from the Veranda Nursing Home has included 32 employees and 61 residents who have tested positive, including ten (10) who have passed away. The Windsor Atrium currently has 32 employees and 58 residents who have tested positive, and eleven (11) individuals who have passed away. Spanish Meadows in Brownsville also has 5 residents who have tested positive and 96 residents who have tested negative. They have also tested all of their employees, of which 135 of the 136 have tested negative and one (1) is pending.

As part of the COVID-19 action response plan, Cameron County Public Health is conducting epidemiological investigations and contact tracing as needed and continues to monitor the situation and will provide updates as they are received.
