## **Cameron County Confirms Additional COVID-19 Related Death**

Cameron County has received confirmation of an additional COVID-19 related death of a Cameron County resident. The 76-year-old male was a resident of the Windsor Atrium and had previously been reported as a case. This raises the number of COVID-19 related deaths to thirty (30).

Cameron County has also received confirmation of an additional fourteen (14) case reports of COVID-19. This includes the following:

<b>Residence</b>	<b>Gender</b>	<b>Age(s)</b>	<b>Transmission</b>
Brownsville	Female	79	Community
Brownsville	Female	22, 35, 76, 93	Link to previous case
Brownsville	Male	27, 35, 56, 91	Community
Brownsville	Male	71	Link to previous case
Harlingen	Female	18, 22	Link to previous case
Harlingen	Female	33	Travel
Los Fresnos	Male	34	Link

This raises the total number of COVID-19 cases to 649 in Cameron County. There have also been an additional ten (10) individuals who have recovered, raising the total number of recovered individuals to 410.

Cameron County Public Health continues to work with the three nursing home facilities in addressing the COVID-19 outbreaks. To date, the Cameron County cases arising from the Veranda Nursing Home has included 32 employees and 61 residents who have tested positive, including ten (10) who have passed away. The Windsor Atrium currently has 38 employees and 60 residents who have tested positive, including fourteen (14) individuals who have passed away. Spanish Meadows in Brownsville also has ten (10) residents and one (1) employee who have tested positive.

As part of the COVID-19 action response plan, Cameron County Public Health is conducting epidemiological investigations, contact tracing as needed, and continues to monitor the situation.
