CAMERON COUNTY OPENS BEACH ACCESS AREAS

Effective today, October 11, 2020, at 8:30 a.m., Cameron County Judge Eddie Treviño, Jr., has ordered the following County beach access areas to open:

- County Beach Access No. 3
- County Beach Access No. 4
- County Beach Access No. 5
- County Beach Access No. 6

These County beaches were temporarily closed to all vehicular and pedestrian traffic from Thursday, October 8, 2020, at 6:30 p.m. through Sunday, October 11, 2020, at 8:30 a.m. to protect the safety and well-being of the general public in light of precautionary weather conditions, high tides, and undriveable land conditions.

During the temporary beach closures, County beach access areas including Isla Blanca Park and Andy Bowie County Park on South Padre Island remained opened.

Cameron County is committed to protecting the life, health, and property of all visitors to our County beaches and asks that at all times individuals be cautious and heed the advice of the lifeguards as well as the Flag Advisory System signage.

Boca Chica Beach will remain closed until further notice. If you have any questions or concerns, please refer to the Cameron County website for related news and updates at <https://www.cameroncounty.us/> or contact the Cameron County Parks and Recreation Department at (956) 761-1293.
