"In the last several days, the daily COVID-19 case count in Cameron County has increased and the urge to remain vigilant and safe continues. With the upcoming Thanksgiving holiday, please celebrate only with your immediate family household, and as difficult as this year has been to all of us, let's unite in prayer and be thankful for life and the health and happiness of those around us," stated Cameron County Judge Eddie Treviño, Jr. "To all County employees, please do not let your guard down and continue to utilize the health and sanitation protocols when out in public. Please remain home and self-isolate should you be positive with COVID-19. United in effort, we can prevent the spread of COVID-19 both at work and at home," stated County Judge Treviño.

The Cameron County Judge's Office will continue to provide updates as needed.
