**CAMERON COUNTY PUBLIC HEALTH TO ALLOCATE AND DISTRIBUTE  
MODERNA VACCINES TO MUNICIPALITIES THIS WEEK**

Cameron County Public Health continues to work with different cities throughout the County for vaccination distribution efforts and this week allocated a limited number of Moderna Vaccines to the following: Combes, La Feria, Rio Hondo, Port Isabel, San Benito, and Santa Rosa.

All individuals are asked to please contact or visit the website of the municipalities listed above for vaccine registration and information, and contact your primary health care doctor for vaccine availability and further information. All doctor's offices are encouraged to visit the Texas Department of State Health Services website and register as COVID-19 vaccine providers if they are not already authorized.

It is expected that Cameron County Public Health will continue to receive additional COVID-19 vaccines on a weekly basis and will provide additional vaccination clinic updates as allocations are confirmed. Cameron County is dedicated to administering COVID-19 vaccines in accordance with the guidance from the State of Texas and the CDC.
