CAMERON COUNTY TO ALLOCATE SECOND-DOSE MODERNA VACCINES TO MUNICIPALITIES AND PRIMARY HEALTH CARE DOCTOR'S OFFICES

This week, Cameron County Public Health will allocate second-dose Moderna Vaccines to the City of Brownsville, City of Port Isabel, Brownsville Community Health Clinic (BCHC), Su Clinica and various primary health care doctor's offices in Cameron County that received first-dose Moderna Vaccines allocations the week of February 1, 2021, through February 6, 2021.

All individuals that are scheduled to receive their second-dose vaccine this week are asked to please verify the date indicated in your COVID-19 Vaccination Record Card, and contact or visit the website of the municipality or the doctor's office for more information.

Cameron County Public Health continues to partner and allocate vaccines to different entities throughout Cameron County in a joint effort to vaccinate our population and get shots in arms as quickly and efficiently as possible.
