### **NOTICE REGARDING TEMPORARY CLOSURE OF THE ISLA BLANCA PARK BOAT RAMP**

The Cameron County Parks and Recreation Department would like to announce the temporary closure of the Isla Blanca Park Boat Ramp Facility on Friday, April 02, 2021 and Saturday, April 03, 2021. This includes the parking lot and restrooms directly associated with this area. The decision to close this amenity is for safety concerns due to the anticipated high volume of pedestrian traffic expected during the concerts scheduled at the Amphitheater on these dates. All public access to the boat ramp area will re-open immediately on the following day of the event. We sincerely hope patrons can understand the decision for the temporary closure.

For boaters needing an alternative place to launch during this time, we have included a list of public boat ramps located within the Laguna Madre area for your convenience. We thank you in advance for your patience.
