

Brand Registration

What

- All brands must be re-registered every 10 years
- New brands can be registered at anytime

When

- Re-registration August 31, 2021 – February 28, 2022
- A person who does not re-register their brand during this 6-month period, forfeits legal right to that brand

Where

- The brand location is as important as the brand itself
- The same brand can be registered in the same county BUT requires a different location
