Clarifications

Q. Since there were no length of yard-lines in the bid items, are there going to be any variations from an average length and what is the average length?

A. **The average yard-line length is 150 lf. There are approximately 5 yard-lines that may be over 200 lf.**

Q. Are the septic tanks identified in the drawings?

A. **No, the septic tanks shall be field verified. General recommendation is for the contractor to become familiar with the project site.**
