

PUBLIC COMMENT REGISTRATION FORM

Welcome to the Cameron County Commissioners' Court Meeting. Your presence and participation are appreciated. You may make your opinion known on an issue and/or register to speak to the County Judge and County Commission. All comments must relate to the issue, and must be made to the Commission as a whole, not to an individual.

Please complete this form and turn it into the County Clerk Commissioners' Court Secretary, to be forwarded to the County Judge, 5 minutes prior to the start of the Meeting.

Since County Commission meetings are recorded, and are a part of the permanent and public record of Cameron County, certain rules of conduct are necessary.

- Please step up to the podium as soon as you are recognized by the Judge and **state your name and address before beginning your presentation.**
- **Comments are limited to (3) minutes.** In the interest of maintaining order, please abide by the allotted time so that the next citizen may have his/her turn. Due to the time constraints, a maximum of five speakers will be recognized. Speaker order will be determined by the order in which they are received.
- If you have written notes or other material you wish to present to the County Judge and County Commission, **please furnish an extra copy to the Commissioners' Court Secretary for the record.**
- All regular sessions are broadcast, therefore, **please speak directly into the microphone** (you may adjust it as necessary).

You may have your position recorded, without speaking, by checking the appropriate box below:
